STAINED GLASS

I continue to use the traditional method of slab glass to produce each piece. Each work is unique. No machine can replaced the fineness and strength of artwork.

Each work is unique. No machine can replaced the fineness and strength of artwork.

Christophe DENOUX

Mosaic & Stained Glass Master

Christophe DENOUX

Mosaic

One of my particular styles is using modern materials such as unglazed ceramic tiles and glass mosaic and mixing them, using traditional skills which allows me to create and realize a great modernity style.
